
Cardfight Vanguard Ride To Victory 3ds Rom 100

This game is only for the Japanese version of the Nintendo DS. We had to return it. But customer service was excellent, the game arrived early Sunday morning... and as expected, the game came with a sticker for the Japanese market. However, when we unpacked the game, we were surprised to see that there was only one game on the sticker (just like the Japanese Nintendo DS). So we took the sticker home on Monday morning and saw that the stickers for the other Japanese versions of the Nintendo DS were gone! This

game was for the Japanese market and we didn't get anything but a sticker. When we asked the manager why we didn't get the others
