genius g540 v5.20 software windows xp She wanted to say that she shouldn't be in such a hurry, that she needed time, but she didn't say it. She would like to say that from the very beginning she knew that all this was not real, that this was only the beginning of something new, good. But she did not say this and only looked at him with tearful eyes, realizing that he was right, but not wanting to come to terms with this truth. The room was dark and she couldn't see his eyes. She wanted to say that she wanted to be with him, but she couldn't make a sound.
