## What's New in the?

This is an 8"x8" "silk screen" as inkjet is too coarse for good quality prints. The painting is composed of a number of ink dots of a single color and screen type. The ink dots are beautifully "metallic" and the colors are vibrantly alive - which is why we like it so much! Ink Master Screen Print Description: Little Shop of Comics is a Comic Strip with a Difference. We see you sitting in your typical office, tapping away at your keyboard, working on your long awaited next masterpiece. You look up and see some potential customers coming your way. You know you've got a great idea, and you're about to

---

introduce it to the world - right? Wrong! You remember what the stock boy said, "The best ideas come when you're not thinking about them". This is the same story, only it's about the Little Shop of Comics! The best way to sell your wares is to have some quality art to represent your wares. In this "apartment" strip, you're a janitor, collecting scrap to make screen prints of your greatest works - one day a customer will walk in and order a hundred full color, wrap around book covers that you've begun painting. That's right, your little shop is a comic - with you at the front desk sorting through the many orders made, each day. Featuring classic comic book artwork, this poster will look fabulous in your waiting room and in your office. "The best ideas come when you're not thinking about them" Lego Batman is a great series of miniature figs made by the company Lego. Based on the very popular Batman series of movies, this series revolves around the adventures of the Caped Crusader and the Boy Detective. We are proud to present the Batmobile building kit. Designed for ages 8 and up, the kit comes with just enough parts to build the first Batmobile. Exclusive to the Lego Batman line of figs, these figs are sure to be a hit for the Lego collector in your family. Mattel Playmobil Batsignal LEGO (10398) Description: The Batcave is the largest underground lair in the DC Comics universe and a stronghold of the modern Batman. Batman and Bruce Wayne use the vast room to store weapons, equipment, trophies, and everything else that keeps the dark knight a step ahead of enemies. With all this equipment and tools to get around, the Batmobile

---
