Sorabji Ajit Singh, minister for Water Resources, said the construction of the proposed six dams would not only augment the availability of water for irrigation, but also help check water pollution in the country. (Express Photo/Arko Datta/File) Sorabji Ajit Singh, minister for Water Resources, said the construction of the proposed six dams would not only augment the availability of water for irrigation, but also help check water pollution in the country. (Express Photo/Arko Datta/File) After more than two-and-a-half years, work on the world's largest dam, the Tehri Dam in Uttarakhand, is set to start, according to a top official. Based on a detailed study prepared by the National Institute of Hydrology, R&B, and Water Resources Development Ministry, the National Water Development Agency (NWDA) board has ordered the commencement of
