She is constantly amazing in roles, and this new film is no exception. She plays an evil corporate agent, who ends up in a relationship with a series of FBI agents, and the results are worth seeing. Chastain is vicious in her performance, which is a very good thing. The film is called The Debt, and it is directed by John Madden. It is a political thriller, and I did enjoy it. The Bourne trilogy is back, and Bourne Again in the Balkans is very good. It begins with a very good opening sequence, that gives me a good idea of what to expect. The film then moves on to a plot that starts with a hostage situation, and quickly becomes an action movie from there. Tommy Lee Jones is a bit over the top as the Russian agent, but even he can
