The world of Elden Ring is one filled with religion, magic, and fear. Four great gods rule the Lands Between and maintain the balance of the world. You will play as an Elden Knight who is crowned into an Elden Lord as you serve the gods and attend the martial arts competitions that are held across the world. As you battle in these martial arts competitions, you will hear the excitement of each crowd's cheers. The Lands Between has flourished as a result of the Elden Ring, but the peace is fleeting. A mage with the power to take over the world has been awakened, and the shock waves of his power are spreading through the Lands Between. The Lord says: "The fear of the gods, the boundless power of the Elden Ring, and the power of words—the three things bound together in the Lands Between are destined to unite, and the seal of the gods will be laid on each of the Lords. I am sure to bring the most to this land, and I do not fear the young knight." Features: □Be an Elden Knight, Become an Elden Lord A fierce knight with untold strength is born.
