A truly grand fantasy adventure game where you can achieve three different endings by playing in different ways. ABOUT ELDEN RING: A vast fantasy world created by a legend of the world of ARPG. ABOUT YAKY PIKY: The new company by the legendary developer, Smilegate. Yakky Piky is the developer of "Yaky-Paky" among a series of titles. You can expect more of Yakky-Paky at this year's E3. About Smilegate: Smilegate is a mobile game company founded in May of 2004, with the goal to create games with the highest graphics and excellent gameplay. Smilegate is the most-known developer of the RPG Yaky-Paky! (Mod for SUPERHOT) They managed to sell over half a million units of Yaky-Paky with the help of their own mobile game distribution platform called Top Mobile. An internal team leader of the company, Shigeo Komori, is famous for the best-selling card game, like Dragon Quest Z, Mage Gauntlet, Star Wars X-Wing and The Secret of Mana. About Yakky Piky Yakky Piky is a new game developer from the famous game producer, Smilegate. Their goal is to create high-quality games with best graphics that will surpass their predecessors. ABOUT THE E3 TO THE WORLD: E3 is the event that is the symbol of games. In June of each year, the world's leading trade fair for the industry, The E3 show takes place, a large event that attracts hundreds of thousands of people from around the world. This year, a new addition is being added. · E3 2018 - Register now! - E3 will be held in Los Angeles, USA from June 11 to 13. - E3 2018 will feature the latest games from leading game developers, an E3 theme park, fan events, and more. - E3 will also feature a series of talks and presentations from top game developers about the future of games. * E3 2018 Program Lineup 【Videogame Exhibit】 This is an exhibit where you can see the latest games. Find out what the latest games will be and how it is to work for these games. Also, this is a place where
