By Carolyn Falcone, Staff Ed Tech Librarian, Walnut Street College of California (Photo: Jacob Brumberg) Jan 6, 2011 When it comes to bringing new media to the classroom, we have two options: We can bring the technology into the classroom. Or, we can bring the classroom into the technology. The second option, bringing the classroom into the technology, is pretty straight forward. This is especially true if you are teaching in a high school or college. If you are teaching in a middle school or elementary school, then the question becomes what is it that you are trying to teach the students?
