Think again. Welcome to India's version of Trump's winning formula for business, but with a twist. After hearing about the recent success of India's "Make in India" initiative at the World Economic Forum in Davos, Swiss-based online travel consultancy and booking app, Opodo, saw an opportunity to replicate Trump's formula for business - or at least build upon it. So, they took a very different approach to reaching out to the Hiltons - they designed their own inner-city hotel, with a twist. "Opodo has been to India more than 100 times and it's a fantastic country but it's not that much of a destination. They didn't want to waste their time trying to find a hotel. In Britain, people are thinking about a hotel. In India, people are thinking about a hotel. In India, people are thinking about a hotel. In India, people are thinking about a hotel. Local hotel owners answered their call and included Opodo in a new chain in their portfolio, some of whom have spent years building their brands, only to 6d1f23a050
