Powerful and easy-to-use, GSA CRM Integration (desktop, mobile and web versions) with access to any GSA CRM data that you wish to store in your Company information portal, including sales activities, customers, marketing activities and social media analysis. Presenter Information Start Date 26-7-2012 Description The paper presents an experiment that aimed to analyse the impact of a naive approach to a sensitive topic on people's perception of the degree of professionalism of a group of professionals, as they had no prior information about the topic under discussion. The experiment compared three different approaches to a sensitive topic: an expert/ex-
