

The standard version costs \$39.99, and for those who already own the original version, it's a free upgrade. It features all the original playable characters. The game features one character. The game features all the characters from the original game, which gives an advantage to players who have the game on Steam. Also, in the game, there is the possibility of playing with a gamepad. The game has a story mode and a free play mode. In story mode, the player must complete levels to the end to find out what happened to the characters in the game. In the free play mode, the player can choose one of three difficulty levels, and play with any one of the characters.
